## Dental Care during Covid-19

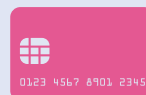

- You can trust that we have taken every precaution to make our practice a safe environment.
- We believe our measures are of the highest standard.
- Patient safety will always be our number one concern.

Please read the following Covid-19 protocol that will keep us all safe.

### Before your appointment

You will receive a phone call at least 24hrs ahead of your appointment

We advise making a prepayment when the treatment is straightforward

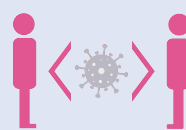

We will conduct a medical screening over the phone

Bring a face mask and avoid using public transport

Please brush your teeth and use the lavatory before visiting

Please visit alone and only arrive at your appointment time

Please email a signed consent form to confirm you understand our measures.
